

How to Maximise Your Professional Image

***Develop your
own personal 'X'
Factor***

This 1 day programme will help you to project a successful image in business through your appearance and your behaviour.

This impactful day will enable you to learn :

- ***How to ...*** Create a professional image which reflects your company's values.
- ***How ...*** Your appearance affects the way others respond to you.
- ***How to ...*** Create the right image for a promotion or to win new business.
- ***How to ...*** Maximise your wardrobe for successful impact.

Anyone who wants to improve their professional image and style will benefit from the programme as it focuses on practical applications for maximising your appearance and making the right impression from the outset.

For more information on our range of 'How To' Programmes and to start your personal development journey, call us **NOW** on 07764 842131.
